GMP Competes Club Registration

GMP Competes Schedule

- The club will meet on all Fridays of the GMP calendar year beginning on September 20 and ending on March 27, with the following EXCEPTIONS: November 29; December 20, 27; February 21
- Middle School Students: 5:00-6:30 p.m.
- High School Students: 6:30-8:00 p.m.

Parents may need to provide transportation for their student to and from contests, though we will try to coordinate transportation. Participation in any of the competitions is optional.

Registration in the GMP Competes Club does not guarantee that a student can participate in all contests. Participation in the contests can depend on other factors, including age, home school permission and number of students that we are allowed to choose per team. All students can participate in the AMC contests and will be better prepared for them.

Registration will be accepted on a first come- first served basis. If the club is full we will notify you. Materials will be primarily available free online. Optional materials for purchase may be suggested.

Please return the attached form with signatures.

For Middle School students who would like to participate in the MathCounts Competition, you would be competing for your home school and therefore will need permission to represent your school. Your school is not required to participate in any way, other than to give their permission for you to compete in their name. Please obtain the signature of a school officer below as permission for this.

School Name_____

We give permission for the above named student to represent our school in the MathCounts Competition. For more information, see the MathCounts website: https://www.mathcounts.org/
