

## GMP III into IV Summer Homework

- This homework will be included in your first quarter grades.
- **This is not meant to be done in one sitting.** Plan ahead and pace yourself so that you are doing one lesson at a time. You will get much more out of it this way.
- The assignment pages can be found in the eMathinstruction website under Common Core Algebra II. You can use this link:  
<https://www.emathinstruction.com/common-core-algebra-ii/>. Watch the video lessons for units 1-3. While watching each video, we recommend that you complete the corresponding lesson pages. The first two pages of each lesson are lesson pages.
- For units 1, 2, and 3.1-3.5, complete the last two pages of each lesson, which are labelled “homework”. You will be turning in the homework pages only.
- Show all work in the space provided. Please clearly print your name in the “Name” section. You must show all work to receive full credit.
