## Class of 2017!

Our amazing graduates plan to attend these colleges: Canisius College, Case Western University, Cornell University, Hofstra University, Massachusetts Institute of Technology, Northeastern University, Princeton University, Rensselaer Polytechnic Institute, Rochester Institute of Technology, Stony Brook University, University at Binghamton, University at Buffalo, University of Michigan, University of Pennsylvania, University of Rochester, and University of Virginia.

Their intended majors include: Aerospace Engineering, Applied Mathematics & Statistics, Biochemistry, Biology, Chemical Engineering, Computer Science, Engineering, Entomology, Film, Human Biology, Health & Society, Mechanical Engineering, Molecular Biology & Neuroscience, Physics, Pre-Dental, Pre-Med, Pure Mathematics, Secondary Mathematics Education, and Sociology.

Some of the honors and scholarships won by this year's graduates include: Ignation Scholarship at Canisius College, Beverlee Kane Goldberg Scholarship at University of Pennsylvania, Presidential Scholarship at Cornell University, Provost Scholarship at University at Buffalo, Jefferson and Echols Scholarship at University of Virginia, and more. We wish our graduates success in their academic careers!

## GMP Ambassadors

Students entering GMP IV, V, and VI next year are invited to apply for a position as a GMP Ambassador. GMP Ambassadors are GMP students who represent us to younger students, schools, families and alumni. This could be a great learning and leadership experience for you and for your college application. Plus you'll earn some GMP swag. For more information and an application see our website (under announcements) <http://giftedmath.buffalo.edu>. The application deadline is June 3rd.

## E-summer Packets

We will send you rosters and room assignments by email in early July. All other information will be posted on our website before then. **This includes summer homework assignments due on the first day of class.** Please continue to keep us informed of updates to your email addresses. If you have several family email addresses, we recommend including all of them as extra insurance that you receive all GMP mailings.

## Have a safe and happy summer!
