

### PERMISSION FOR STUDENT PHOTO

If you will allow us to have your child's picture on our website or for publicity about the program, please sign this permission form and return it to us.

I give permission for my child's image to be used on the GMP website or in other GMP publicity. Children will not be identified by name.

### PERMISSION FOR GRADE RELEASE

As you know, any of your child's records including state mandated testing results are confidential information. We request your explicit permission to share information with your child's home school and receive information from them.

I give my permission for the home-school to release testing results or other relevant information to the Gifted Math Program office.
