Re: UB Card
Date: July 2019

Every student attending classes at the University at Buffalo is required to get an ID card, including our students. This card must be carried at all times while on the UB campus. Students can obtain a UB card after registration is complete. **If you are an international student, or submitted your paperwork after the May deadline, your registration may be slightly delayed. Those families may want to check with us before making the trip to the card office.**

The UB Card staff are part of the 1Capen Student Services Center located on the ground floor of Capen Hall. Capen is located on the academic spine and can be found on this map: <http://www.buffalo.edu/buildings/pdf-page.html>. Metered parking is also shown on the map. Student and staff lots may be used after 3 p.m.

You will need to take your child to the 1Capen Student Services Center during their business hours:

- Monday through Friday between 8:30 a.m. and 4:30 p.m.
- The office is normally closed Saturday and Sunday, but is open 8/24 from 11:00 a.m. to 3 p.m.

To avoid long lines and parking difficulties, we suggest you do this before August 26th when University classes start.

Each student needs to bring two items: (1) **photo identification**, (2) **payment**. You will fill out a form at that office which **must be signed by both the student and a parent**. The UB Card Office staff suggests that the students bring their school photo identification card. If your child's school does not provide a photo ID card, then bring a photocopy of your child's school yearbook page from last year that shows his/her photo and name. The cost of a new card is \$23.50. Payment can be by cash or check made payable to FSA-UB, or can be billed to the student account and paid online.
